ABOUT ICNCC 2022

2022 The 11th International Conference on Networks, Communication and Computing (ICNCC) will be held in Beijing, China during December 9–11, 2022. ICNCC 2022 is co-organized by Beijing University of Posts and Telecommunications and Huanghe Science and Technology College, supported by Zhengzhou University of Light Industry, Henan Polytechnic University, and Shandong Technology and Business University.

ICNCC provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss not only the most recent innovations, trends, and concerns but also practical challenges encountered and solutions adopted in the fields of networks, communication and computing. There will be participation of renowned speakers, oral presentations, posters sessions and technical conferences related to the topics in the scientific program.
